Looking For A Product Not On This Price List?

We can order in any product listed on the official Games Workshop website (www.games-workshop.com)! This includes any mail order only item as well as Specialist Games products! When you are placing your order simply copy and paste the name of the product you are looking for along with the product code from the GW site to your order form. You will be invoiced for that product at **15% off** the MSRP on the GW site. Keep in mind that orders for GW products not on this price list generally take 7 business days to order in from GW mail order and therefore your order may be delayed until these products arrive in the store.
